

ELENI G. ARGYRIADOU, MD, PhD

Anesthesiologist – Intensivist

Professor of Anesthesiology, Medical School, Aristotle University of Thessaloniki

Director, Department of Anesthesiology & Intensive Care, AUTH / AHEPA University Hospital

SUMMARY CURRICULUM VITAE

PROFESSIONAL CAREER

- MD, Medical School, Aristotle University of Thessaloniki (1994)
- Specialty Certification in Anesthesiology (2000)
- Subspecialty Certification in Intensive Care Medicine (2005)
- Consultant B, National Health System, AHEPA University Hospital (2004–2008)
- Consultant A, National Health System, AHEPA University Hospital (2008–2013)

ACADEMIC CAREER

- PhD, Medical School, Technical University of Munich (Technische Universität München), magna cum laude (2003)
- Lecturer in Anesthesiology, AUTH (2013)
- Assistant Professor of Anesthesiology, AUTH (2015)
- Tenured Assistant Professor of Anesthesiology, AUTH (2019)
- Associate Professor of Anesthesiology, AUTH (2020)
- Director, Department of Anesthesiology & ICU, AUTH / AHEPA University Hospital (2021)
- Professor of Anesthesiology, AUTH (2024)

SCHOLARSHIPS

- State Scholarships Foundation (IKY) – Merit-based (1990–1992)
- German Academic Exchange Service (DAAD) Scholarship (1998–1999)
- German Academic Exchange Service (DAAD) Scholarship (2008)

POSTGRADUATE TRAINING

- Intensive Care Medicine, AHEPA University Hospital (2002–2004)
- Prehospital Emergency Medicine, National Emergency Aid Center (EKAV) (2000–2001)
- Department of Anesthesiology, University of Munich (1998–1999, DAAD scholarship)

- Cardiac Anesthesiology Department, Hôpital Européen Georges Pompidou, Paris (2001)
- Cardiac Anesthesiology Department, University of Regensburg, Germany (2007)
- German Heart Center, Munich (2008, DAAD scholarship)
- Cardiac Anesthesiology Department, Antonius Hospital, Nieuwegein, Netherlands (2008)
- Cardiac Anesthesiology Department, Ruhr University Bochum – HDZ NRW (2009)
- Cardiac Anesthesiology Department, Heart Center Berlin (2009)

TEACHING ACTIVITIES

- Teaching and tutorial participation in undergraduate Anesthesiology courses
- Course Director of compulsory Anesthesiology course for medical students, AUTH
- Teaching Intensive Care Medicine and Prehospital Emergency Medicine
- Participation in four postgraduate (MSc) programs, Medical School, AUTH

SUPERVISION OF DOCTORAL THESES

- Primary supervisor of PhD theses (5)
- Member of three-member advisory committees (5)
- Member of seven-member examination committees (7)

INTERNATIONAL RECOGNITION

Member of international expert committees in cardiac anesthesiology

- International expert committee on perioperative use of levosimendan (Munich, 2014)
- International expert committee on minimally invasive extracorporeal circulation systems (Bern, 2014)
- Instructor in 9 international advanced cardiac anesthesiology seminars (MiECC, cerebral oximetry)

RESEARCH ACTIVITY

- Author of international medical textbook and chapters
- Investigator in international research protocols:
 1. CoMICS Trial – Conventional vs Minimally Invasive Extracorporeal Circulation
 2. Brain autoregulation and microcirculation during cardiac surgery
 3. EMBRACE Study – Emapalumab in sepsis with IFN- γ signature
- Reviewer for 4 international scientific journals

SCIENTIFIC OUTPUT

- Publications indexed in PubMed: 77
- Publications in Greek journals: 16

CLINICAL ACTIVITY

- Cardiac and thoracic anesthesia practice (2004–present)

AWARDS

- 9 scientific awards (2 international, 6 national)

ADMINISTRATIVE ROLES

- Member, Curriculum Committee, Medical School AUTH (2018)
- Member, Internal Regulations Committee, Medical School AUTH (2019–2020)
- Member, procurement committees for anesthesiology equipment, AHEPA Hospital (2016–present)
- Board Member, Society of Anesthesiology & Intensive Care of Northern Greece (2012–2016)
- Member, Steering Committee, English-taught Medical Program AUTH (2021–2024)
- Elected member, General Assembly, Medical School AUTH (2017–2028; 2025–2026)
- Advisor to the Rector (2025)
